*Pinot Gris Rangen de Thann Clos Saint
Urbain Selection de Grains Nobles Grand
Cru 2009*

96 POINTS

Incredibly Pure

Incredibly pure, high-toned nose offers penetrating floral lift and tangy botrytis tones to the mirabelle, strawberry and peach aromas. Superripe and seamless, with an explosive quality to the yellow fruit, strawberry liqueur and custard flavors allied with a degree of finesse that's rare for pinot gris at this extreme level of ripeness. The endless finish features a wonderfully perfumed smoky botrytis quality.
