DOMAINE ZIND- HUMBRECHT

Riesling Herrenweg 2015

92 POINTS

A bright dash of lemon is colored with a hint of yeast and flint. The palate, which brims with ripe Amalfi lemon notes, also has that slight flinty stony touch. But it is the lemon that characterizes the compact, precise and dry body. It is the zestiness that brightens and enlivens. Very refreshing, with wonderful balance and tension.
