ZIND-HUMBRECHT

Gewürztraminer 2016

91 POINTS

Honeysuckle, wet earth and peach pop up amid intense notes of damask rose. The palate is equally perfumed, covered by a veil of rose perfume that makes this wine seem richer than it actually is. Backbone and concentration comes from zesty citrus and a mere lick of residual sugar. All elements come together in an attractive package.

Anne Krebiehl - August 01, 2018
