

ZIND-HUMBRECHT

Pinot Gris 2016

90 POINTS

From an average of 25-year-old vines grown on the gravelly soils around the winery, the 2016 Pinot Gris Turckheim displays a white-golden color with a slightly reddish hue. Clear and aromatic on the nose, this is a round, elegant, intensely fruity and well-balanced yet well-structured white with a long, intense finish with good mineral and phenolic freshness. The 2016 reveals nice salinity and is a good mix of fruit and gravel expression that ended up with 12.6% alcohol and 1.3 grams per liter of residual sugar.
