

MONTES

Alpha Malbec 2016

91 POINTS

A deep ruby red color with an intense violet hue. The nose shows a perfect combination of potency and delicacy, with pronounced aromas of ripe red fruits such as sour cherries in syrup intermingled with a subtle fragrance of violets and wildflowers, while a touch of crème de cassis, jam, and anise appear on the backdrop to complete the aromatic profile characteristic of our Alpha Malbec.

Anthony Dias Blue - March 29, 2019
