

LOUIS JADOT CÔTE D'OR BURGUNDIES

*Vosne-Romanée Les Beaux Monts Premier
Cru 2018*

93-95 POINTS

The 2018 Vosne-Romanée Les Beaux Monts 1er Cru has a very well defined, mineral-driven bouquet that demonstrates more transparency than the Les Suchots, scents of seaweed and iodine permeating the black fruit. The palate is medium-bodied with gentle grip on the entry and touches of dark chocolate and truffle toward the second half, culminating in a very long, satisfying finish. This is an excellent Les Beaux Monts.
