LOUIS JADOT CÔTE D'OR BURGUNDIES

*Beaune Clos des Couchereaux Premier Cru
2019*

91-93 POINTS

This is aromatically quite similar to the Theurons with perhaps just a bit more earth influence. There is again fine volume and intensity to the denser and more powerful medium-bodied plus flavors that coat the palate with dry extract on the very firm and impressively long finish.

Allen Meadows - April 10, 2021
