Beaune Premier Cru Celebration 2018

92 POINTS

The 2018 Beaune 1er Cru Célébration offers crunchy red berry fruit on the nose, crushed strawberry mingling with raspberry preserve and cranberry. A light vanilla scent emerges from the background. It is all disarmingly seductive (even more so the following day). The palate is medium-bodied with a very smooth and silky texture. Tart red cherries and crushed strawberry on the entry, modest depth, cashmere in texture and more sumptuous than previous iterations, unsurprising given the style of the 2018 vintage. Utterly delicious.
