LOUIS JADOT CÔTE D'OR BURGUNDIES

*Vosne-Romanée Les Suchots Premier Cru
2019*

90-93 POINTS

Here too the nose is exuberantly spice and quintessential Vosne in character with its slightly more elegant nose of red and dark currant, clove, soy and star anise nuances. The supple and relatively forward medium-bodied flavors possess a caressing, even seductive, texture that also firms up as it sits on the mouthcoating and sneaky long finale.
