LOUIS JADOT CÔTE D'OR BURGUNDIES

Clos-Saint-Denis Grand Cru 2019

93-96 POINTS

A plethora of spice nuances are present on the emphatically floral-suffused nose of red raspberry, earth and a whiff of exotic tea, all of which is trimmed in wood and menthol nuances. The plump, round and highly seductive flavors possess both good mid-palate density and a very sophisticated mouthfeel that continues onto the relatively powerful and highly persistent finale. The intrinsic class of a fine CSD is very much present and this is seriously impressive.
