## BOUVET LADUBAY

*Trésor Blanc 2017*

# 92 POINTS

The radiant citrus colored 2017 Bouvet Trésor Brut opens with a pure but intense and chalky bouquet of fresh lemon juice, ginger, confit de citron and some very discreet earthy, even manure notes. Full-bodied, quite rich and elegant on the palate, this is a textural and complex yet refined and refreshing sparkling wine from Saumur with a persistent structure, chalkiness and salinity.
