

FEUDO MACCARI

Rosé di Neré IGP 2020

90 POINTS

The 2020 Rose di Nere, a varietal Nero d'Avola, is a vibrant golden color and offers an extroverted bouquet that mixes dried peaches, mangos and nectarines with sweet exotic spice. This is soft and enveloping, delivering ripe orchard fruits complemented by hints of ginger, as sweet inner florals form toward the close. For all of its intensity and fruit-forward character, this finishes pleasantly refreshing and poised.
